APPROVED FOR RELEASE 2025 UNDER EXECUTIVE ORDER 14176

From: Jerry Massie, DOJ

Subsequent to our phone conversation, Barry and I met and agreed upon two areas of concern that are germane to our inquiry. We then spoke to the Secret Service paleographers. We believe the easiest and most time efficient manner to handle the test would be for McCollough to meet with me prior to the test and let him write a brief summary concerning these to areas and then just have a polygraph done, as to whether he was truthful in his statement. The two areas are:

1. Whether or not he went to Jim's Grill to meet and plan to assassination of Dr. Martin Luther King Jr.?

2. Whether or not, as you crawled to aid Dr. King after he was shot, you saw a buff of smoke or any person in the backyard area behind Jim's Grill?

We propose to begin at 10:00 a.m., Friday at the Secrete Service Office, Polygraph Division, 1800 G Street NW, Washington. Our contact person is Joe Gagliano, his phone number is (202)435-5931.
